PAPER41 LUX

Affascinati dal mondo dei rivestimenti, abbiamo cercato soluzioni nuove che potessero esprimere al meglio il linguaggio della nostra visione. Forme, colori, emozioni prendono vita su una lastra di ceramica estremamente sottile, elemento duttile e innovativo per arredamento e design. La visione alimenta il pensiero e rimanda a concetti e idee fortemente sensoriali, che cambiano da persona a persona, a seconda del proprio background culturale.

Fascinated by the world of coverings, we tried new solutions that could better express the language of our vision. Shapes, colors and emotions come to life on an extremely thin ceramic plate, a flexible and innovative element for decoration and design. The vision feeds the mind leaving thoughts and concepts, which vary from person to person, depending on your cultural background.
